5. [REDACTED] advised me that according to [REDACTED] the Bureau of the Budget had received a letter from Roger Jones of the Department of State indicating that all interested Government agencies had agreed that the FSI Overseas Orientation Course was adequate for all Government employees going overseas. Bill said that this was incorrect and that we had never agreed to this. Bob has been requested to advise the Bureau of the Budget accordingly.

6. Dick Helms has requested that the red rugs from the Office of the Deputy Director (Plans) be removed and I have agreed with the understanding that if I ran short by \$2,500 at the end of the year, he would pick up the tab.

7. [REDACTED] buzzed to say that he would send down a Notice designating Pete Scoville Deputy Director for Research and Development, effective 19 February 1962, and requested that it be expedited.

25X1A5a1

8. I talked to Emmett Echols about the Credit Union's approach to [REDACTED] 25X1A5a1 [REDACTED] to have its facilities remodeled. Apparently, the Credit Union Board appropriated \$40,000 to accomplish these alterations. I explained to Emmett that the Credit Union was off-base in contacting [REDACTED] that any alterations to this building would have to be arranged with the Public Buildings Service, and that they should go no further with this project without my permission.

9. [REDACTED] was in with the proposed letter from Mr. McCone to Mr. McNamara concerning the [REDACTED] tation Center. I talked to Bob Amory who agreed that Mr. McCone would expect us to work this out without bothering him, and with Bob's agreement, I arranged to see [REDACTED] at 1430 hours on Monday, 19 February. [REDACTED] will 25X1A9a accompany me and [REDACTED] of NPIC will meet us there. If DIA has no objection in principle, we will then work out the details through routine channels.
